

BRICK CAMPAIGN

The Professional Center for Child Development has launched a Brick Campaign as part of our Possibilities... Not Disabilities fundraising initiative.

Our Brick Campaign is a great opportunity for donors of all levels to be a part of the Campaign, make a gift and be forever etched in our history.

The bricks will create a tranquil sitting area near our sensory garden. This expansion will become a beautiful area that will engage all the senses as children and visitors interact with colorful scented plantings and hands-on tactile elements.

For your contribution of \$150 we will engrave a brick to show your family's support or honor a friend or loved one.

Each engraved brick is \$150 and 100% tax deductible.

Our Possibilities, Not Disabilities Campaign is a \$1 million capital campaign that will ensure the very best outcomes for the children we serve now and those who will require our services in the future. Funds raised will allow us to make significant improvements to our existing classroom campus and secure the tools and training our staff need to continue providing the most effective programs that address the increasingly complex needs of children.

ORDER FORM

Name of buyer: _____

Address: _____

Phone: _____ Email: _____

Complete this form and return to: PCCD, 32 Osgood Street, Andover, MA 01810. Please make checks payable to PCCD.
